ABOUT US

The Farmery is a deli-styled café and open-air eatery. Join us for a meal in our beautiful gardens or pick up a meal to take home.

We promote the FARM DIET - wholesome, free range and preservative free food just like our grandparents used to eat. We source the bulk of our ingredients from local farms within a 2 hour radius of Hoedspruit to bring you the best, freshest food ever.

HOW TO ORDER:

1. We don't offer a traditional waiter service, but we have hosts to look after you!
2. Have a look at the daily menu.
Ask your host about any recommendations or the daily specials.
3. Place your order at the counter and say if its "TO GO" or "HAVE HERE"
4. If eating in, quote your table number and your food will be delivered to the table.

YOUR MEAL CAN BE UNIQUE

Choose a set meal from our menu or create your own by adding or replacing ingredients by what you see in our Deli. Our seasonal deli fridge is stocked with great tasting options where you can add proteins, dairy or vegetable extras or choose from our gourmet selection of sides and sauces.

SUITABLE FOR ALL DIETS AND DIETARY REQUESTS

We offer a variety of free-from foods and alternatives such as gluten-free, sugar-free and plant-based.

Join us for Breakfast, Lunch, High Tea, Dinner or a Sundowner Drink at our bar.
